

VINTAGE SURREY HILLS

Discover the Beauty of Surrey Hills and Enjoy Award-Winning English Sparkling Wine.

Take in stunning views of the hills, an **Area Of Outstanding Natural Beauty**, while sipping a glass of still wine and award-winning English sparkling wine. Take a **Private Tour** of Greyfriar's vineyard, an independent, family-run winery with a rich history, dating back to 1989.

After the tour, indulge in a tutored tasting session, either outside on **The Deck** or inside the **state-of-the-art tasting room**. From **The Hog's Back**, marvel at the picturesque view of chalk slopes extending to The Surrey Hills.

Pair your wines with locally sourced charcuterie and cheeses, which include a variety of cheeses from **Pierrepont Farm**.
